Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner informed Applicant's Attorney that independent claims 9 and 23, recites allowable subject matter as previously indicated allowable in the previous office action which is "the sideband information is provided via inclusion in the codestream of a non-minimal tag tree construction". Further more Examiner also suggested that this limitation should be recited positively as "providing the sideband information via inclusion in the codestream of non-minimal tag tree construction. In order to place the Application in condition for allowance Applicant's Attorney agreed to include allowable subject matter in all independent claims by an examiner's amendment.
